

**EC Declaration of Conformity
in accordance with EC Directive 2006/42/EC, Annex II A.**

The company **Haake Technik GmbH**
Master Esch 72
D-48691 Vreden, Germany

hereby declares that the safety bumpers of the series:

HSB

Serial number: **See identification plate**

in their delivered form comply with the following relevant provisions:

EC Directive: **Machinery Directive 2006/42/EC**

Harmonised standard: **DIN EN ISO 13856-3**

HSB safety bumpers are used to provide protection at pinching and shearing points, e.g. at machinery with long over-travel distances, automatically-guided vehicles, theatre-type stages, etc.

The authorised representative responsible for the compilation of the technical documents is:

HAAKE Technik GmbH
Herr Heinrich Chrusch
Master Esch 72
